

MORE WAYS THAT ONE (Proverbs 14:12)

THE WRONG WAY

Jeremiah 17:9 The bible is clear that the human heart cannot be trusted because it deceives us and is naturally wicked. Following our heart is not the right way.

Hebrews 3:12; II Peter 2:14 The way of the human heart can lead us down the path of unbelief, selfishness, covetousness and envy.

I Timothy 4:1-2 We are warned to be careful that we don't get caught up in false doctrine and seducing spirits. This speaks to false religions and cults such as; Mormons, Catholics, Seven Day Adventist, Church of Christ, etc. Religion is not the right way.

Romans 10:1-3 Loyalty to a belief system or sincerity to the degree of great sacrifice of time, energy, money and reputation is not the right way to please God or find your way into heaven.

Proverbs 23:4; Mark 4:19; Matthew 19:23 Trying to get as much materialism of this world cannot satisfy or give us security from evil or disaster. Money and material gain is not the right way.

THE CARNAL WAY

Romans 7:19-23 Most Christians live from day to day comfortable in the worldliness that surrounds them. We feel secure with our position in Christ so we are not careful with our daily walk in the Lord. Living a carnal life is not the right way to live as Christians.

I Corinthians 3:1-3 The type of life style that Paul writes about is what is pretty normal within churches today. People talk about others behind their backs, people argue with each other. Many times people leave one church for another over hurt feelings that characterize them as being babies.

II Timothy 4:10 As Christians begin to grow in the Lord and serve in different ways, the grueling sacrificial time, effort and money sometimes makes us long for the easy life of the world and we quit.

I John 2:15-17 This warning and admonishing is to the Christians of Johns generation and is just as applicable to us today. The desire of the comforts of the world, the drive of our flesh regarding pride and lust can lead us down a pathway of carnality. This is definitely not the right way to go.

THE RIGHT WAY

John 14:6 As far as making certain that we get to heaven, the bible is very clear. The one and only way to the Fathers house is through Jesus Christ and Him only.

Proverbs 23:19, 23 From God the Holy Spirit to the wisest man the world has ever known comes the written truth about how mankind can find the right way to know and understand God.

Hebrews 11:6 If we are to fellowship with God the right way, we must exercise the faith that God gives to every person and we must diligently seek Him through His word and by prayer.

Proverbs 16:7 When we walk in the right way God makes our enemies to be at peace with us.

Revelation 15:3 John writes and gives us the summation of what the right way is. All of God's ways are right, just and true. Why would we want to go down any other way?
