

NWO (TRUE OR FALSE)
Revelation 13:3-8

Regarding the NWO (New World Order) most believe it is an allusion, a fantasy and a made up international conspiracy to scare people. In order for anyone to understand what is going on in the world we must begin with the word of God, “thy word is truth.”

Ephesians 6:10-12 Our battle with the world, the devil and self is a spiritual battle and not to be fought or won with programs, intelligence or material weapons.

I Corinthians 10:26; II Corinthians 4:4 The bible clearly tells us that the earth belongs to God but Satan is the god of this sinful world.

Daniel 8:25; Matthew 7:15; Acts 16:16; II Corinthians 11:13-15 Satan needs a way to get complete control over the peoples of the world and does so using deceit, trickery and occult practices.

We will look at where the NWO comes from, how it is succeeding and what we can expect. We then will go over the NWO program and how we can follow the future by way of bible prophecy (BP).
