

## AMAZING GRACE

### John 1:14

Christianity cannot possibly be understood apart from a clear picture and an adequate grasp of the grace of God. The doctrine of grace distinguishes Christianity from all religions and cults in the world.

### THE CHARACTER OF GOD

**Hebrews 2:9** The grace of God is many times described through many stories of O. T. heroes and God's mercy toward Israel. However, the highest, most defined picture of the grace of God is epitomized through the gospel and the Lord Jesus Christ on the cross of Calvary.

**Grace – John 3:16; Romans 5:8; II Corinthians 5:21** God's love in action towards men and women who merit the opposite of love. God moving heaven and earth to save lost sinners who could never save themselves. God sending His Son to suffer for our sins, shed every drop of His precious blood in order for sinners to have a chance to be saved.

**Romans 9:14-15** Grace comes from God and He alone (sovereignty), however, some will say that predestination is God choosing (sovereignty) some and not others.

**Romans 12:3; I Timothy 2:3-4; Titus 2:11; II Peter 3:9** God makes it clear in that every person receives His long suffering, a measure of faith and the grace of God in order to believe unto salvation.

**Ephesians 1:1-13** Because of the grace of God believers are *chosen, blessed with spiritual blessings, predestined, forgiven, adopted, accepted, redeemed, obtained an inheritance, sealed with the Spirit.*

**Ephesians 2:8-9** It is through God's grace that we have been gifted eternal life.

**Mark 2:16-17; Luke 18:11-14; James 4:6; I Peter 5:5** It is very important to understand this amazing grace that only God can give, He gives it only to those who are humble and are in need.

### FORMS OF GRACE
